WHO AM I?

3D artist/Compositor with modest but meaningful experience working in the animation sector with 3 feature length movies and one short film under my belt. I have a diverse range of skills within the animation film pipeline ranging from scene layout, character and prop rigging and compositing both in animation and live-action vfx. My software of choice are Blender and Nuke but I'm proficient in Maya and am very quick to learn new software to meet demands.

EXPERIENCE
